Constitutional Declaration

Presented for adoption by the Board of Trustees

This Constitution is declared to be the supreme governing instrument of Al-Mulk International University, binding upon its Board of Trustees, University Senate, Administration, faculty, students, and all who act in the University's name.

It was adopted in the exercise of the founding authority vested in the University's Founders under its Certificate of Formation, and it takes effect on the date stated on the Document Control page. No person, office, or subordinate policy may act contrary to its provisions, and any conflict between this Constitution and a subordinate policy is resolved in this Constitution's favor.

This is a Complete Comprehensive Edition: it consolidates, in twenty-three Articles, the full constitutional architecture of the University — its legal identity, its bicameral governance, its academic and financial structure, and the rights, responsibilities, and protections owed to every member of its community.
